The 500 Club

We would like to make the Prestwich Clough Day an Annual Event, but in order for the Committee to be able to achieve this we need to have the funding in place at an early date. This enables us to be able to book the Acts and the infrastructure as early as possible thus ensuring we can stage a good event.

We would therefore like to invite you to be involved in the funding of the Prestwich Clough Day and the best way that this can be done is by setting up a 500 Club.

How it works.

Up to 500 people / local companies will be allowed to join the Club. Each individual / family will pay £ 10 per annum whilst local companies will be asked to pay £50. The total we would try to raise would be £ 5,000.

The monies raised will be lodged in a separate 500 Club Account until the event is held, at which time the money will then be transferred into the Current Account of the Prestwich Clough Centenary Committee, to meet some of the costs of the day.

If the event is not held, or the Committee decide not to proceed with an event in the following year, then the monies paid will be returned to the members of the Club in full.

Why should we join.

By joining you will be helping us put on a magnificent afternoon out for all the family on your own doorstep. Every membership will be entered in a free prize draw every two months.

Members will receive 2 newsletters each year giving an update on the preparations for the next event and all members will be entitled to look at the minutes of meetings of the organising Committee along with a copy of the accounts for the year they are funding. Thus giving you a chance to see how your money is being spent and how the event is coming together

Companies that join will have their logo put on the website along with a link to their own web site or email address. Each member will also receive a certificate of membership.

How do I join?

Just fill in the form on the following page. We will send your membership certificate and enter you on our roll of supporters.
